

a warm
welcome

To all our current clients and suppliers, we'd like to say a big thank you for your continued custom & support.

To all our future clients and suppliers, we'd like to say we look forward to working with you. DSM Group are committed to providing an efficient and quality assured service; we believe maintaining the trust and confidence of our customers and suppliers is essential.

we have a new website»

Please visit DSM's new website www.dsm-group.co.uk for the latest news & product information

social networking»

Together with our new website Kingfisher yacht ropes now has its own facebook and twitter pages on either Kingfisher yacht ropes, facebook or Kingfisher ropes twitter.

Please add either of these pages to your account to see latest news and special offers.

special offers »

From time to time we issue a special offers list should you wish to receive a copy of these lists please email nigel@dsm-group.co.uk and we will add you to our mailing list.

new height safety equipment

DSM are now the UK agent for Skylotec GmbH, we are now able to supply a full range of fall arrest harnesses, lanyards, rescue equipment and anything from the Skylotec range of products.

Contact us for a brochure or alternatively visit the website www.skylotec.co.uk

High Protection. Best Performance.

« DSM PRODUCT FOCUS

shockcord assemblies

DSM are one of the largest manufacturers of high quality shockcord assemblies, all assemblies are UK made in our purpose built midlands factory, we have the flexibility to make many different types of assemblies in small or large quantities.

« KINGFISHER PRODUCT FOCUS

evolution race

Evolution race made by Gottifredi Maffioli was developed with the help of leading UK dinghy sailors and some of the world's largest Dinghy manufacturers, we believe we have developed the UK's market leading dinghy control line. Evolution race has a HT polyester cover with a coated Dyneema (R) SK75 core and is available in 6 diameters and 12 colours.

new building

« Due to DSM's continued growth we have started work on building a new warehouse at our Mirfield branch work should be complete early November. This additional space will enable us to keep higher stock levels of our most popular products and hopefully improve our already excellent service to all our customers.
